

Authorization for Sharing Information

1. THINGS YOU SHOULD KNOW (PRIVACY NOTICES):

- a) You should know that **if using a policyholder/parent's health insurance** plan for services, IHA and the insurance company may share your information to the policyholder/parent for services you have performed. **In addition, they would receive an explanation of benefits, and may gain access to medical and billing information about your visit.**
- b) Understand that this consent is for all locations and **will be in effect** until you revoke it in writing **or** for the **period specifically listed** here: _____. Further, you should understand that you may opt out of this type of release of information by providing written notice to your physician. Please note that completing a new Authorization to Share form automatically replaces the previous version on file.
- c) If you give permission to share your health information with another person, that person could **re-disclose** your health information and your information is no longer protected by Federal privacy regulations. Your health care will not be affected if you do not sign this form. **When we share information with others, they may be able to share it with others.**

This is where you (the patient) fill in YOUR information.
